

Revision Desert Locust™ Military Goggle System

Description

Physical/Functional Characteristics:

- Low profile design with wide field of view and adjustable flame-resistant strap
- Ventilated frame constructed of strong flexible material
- Interchangeable lenses (clear and solar) coated to resist scratching and fogging
- Optional prescription insert available for soldiers who require prescription lenses
- Goggle weight is 4 ounces
- One size fits all

Performance/Protection Characteristics:

- Impact protection meets ANSI Z87.1+ requirements for goggles
- Ballistic fragmentation protection meets MIL-V-43511C, paragraph 3.5.10, tested "as worn" on an Alderson head form
- Compliant with all ANSI Z87.1-2003 optical performance and protection requirements
- Clear and solar lenses offer 100% Ultra Violet protection

WARNING: The Revision Desert Locust does not have an approved laser protective lens and therefore is not authorized for laser eye protection. The goggles must not be used for missions or training scenarios that require laser eye protection.

Components/Materials:

- Frame: Neoprene rubber in foliage green and black
- Ballistic lens: 3mm polycarbonate with anti-scratch/fog coating, available in sun and clear)
- Strap: cotton elastic, adjustable, flame resistant
- Antireflective cover: stops glint and glare
- Storage case: protects goggles and provides storage for extra shield
- Microfiber cleaning mitt
- Optional prescription lens carrier

Requisition Information

Units may order Desert Locust and/or replacement parts by submitting funded MILSTRIP requisitions through normal supply channels to the DSCP General and Industrial (S9I) or DSCP Prime Vendor Contract.

All NSN's can be ordered via E-Mall. Customers can go into the E-Mall link <https://email.prod.dodonline.net> or call the central Call Center at 1-877-352-2255, option 3, then 3 again. The customer can speak to a person by using options 3, then 1 (instead of the second 3). Both options are available to take orders 24 hours a day. Registration is required for the web, but it is easy and available on-line (Customer Service / Account / Create New Account) on the lower left hand side of the home page.

Replacement Parts
